CAL/EPA ENVIRONMENTAL JUSTICE SMALL GRANTS APPLICATION AND INSTRUCTIONS

A. EJ Small Grants Program (www.calepa.ca.gov/EnvJustice/Funding/SmallGrants.htm)

AB 2312 Chu (Statutes of 2002, Chapter 994) established the Environmental Justice (EJ) Small Grants Program at the California Environmental Protection Agency (Cal/EPA) in the Office of the Secretary. The Cal/EPA Secretary, as authorized by California Code of Regulations Title 27, Division 1, Chapter 3, Article 1, has designated the Deputy Secretary for Science and Environmental Justice to administer the EJ Small Grants to assist eligible community-based, grassroots, non-profit organizations, and federally recognized tribal governments to address environmental justice issues. Eligibility of non-profit entities and federally recognized tribal governments are defined in the Public Resources Code (PRC) section 71116. As part of the fiscal year 2005/06 Budget Act, Cal/EPA is expected to fund projects with a maximum award of \$20,000 per project.

B. Program Goals

The Cal/EPA EJ Small Grants Program is designed to provide financial assistance to eligible non-profit community groups and federally recognized tribal governments that are working on or plan to carry out projects to address EJ issues in areas adversely affected by environmental pollutions and hazards. The Cal/EPA EJ Small Grants Program will fund projects that address the following goals for reducing environmental impacts and are intended to foster common and desirable attributes statewide. Grant applicants must demonstrate in their applications how their projects will reflect one or more of the following EJ Small Grant Program goals:

- 1. Enhance meaningful public participation.**
Meaningful public participation is critical to the success of any effort to address and find solutions to environmental justice issues. It allows communities and affected stakeholders to effectively participate in environmental decision-making processes.
- 2. Promote community capacity building.**
Community capacity building involves improving the communities' technical and procedural understanding as well as facilitating their participation in environmental decision-making processes.
- 3. Collaborate with academia and/or other governmental agencies to document data related to exposures and health complaints.**
Collaboration amongst academia and/or other governmental agencies with affected EJ stakeholders in documenting exposures and health will encourage better understanding of environmental issues. This will improve relations between stakeholders and result in improved and informed decisions.

C. Funding Available

As part of the fiscal year 2005/2006 Budget Act, two hundred fifty thousand dollars (\$250,000) in grant funds are available for this grant cycle. Cal/EPA is expected to fund projects with the maximum grant amounts not to exceed \$20,000 per project. The grant term is from approximately November 2005 through November 2006.

D. Eligibility Criteria

To be eligible for an EJ small grant, the applicant must be one of the following:

1. A non-profit entity. A “non-profit entity” is defined as any corporation, trust, association, cooperative, or other organization that meets all of the following criteria:
 - a) Operates primarily for scientific, educational, service, charitable, or other similar purposes in the public interest;
 - b) Not organized primarily for profit;
 - c) Uses its net proceed to maintain, improve, or expand, or any combination thereof, its operations; and
 - d) Is a tax-exempt organization under federal Internal Revenue Code section 501(c)(3), or is able to provide evidence that the state of California recognizes the organizations as a non-profit entity.
2. A federally recognized tribal government.

E. Not Eligible for Funding

- Individuals
- Entities or organizations that are tax exempt under federal Internal Revenue Code section 501(c)(4).

F. Grant Timeline

| Date | Activity |
|--------------------------------------|--|
| July 14, 2005 | FY 2005/2006 Grant applications available |
| October 14, 2005 | Grant Applications due deadline |
| Late October 2005 | Grant Awards announced |
| November 1, 2005 – November 30, 2006 | Grant Term – Grantees work on projects during this time (grant expenses may not be incurred until the grantee receives the Notice to Proceed) |
| April 12, 2006 | Progress Report 1 Due |
| August 9, 2006 | Progress Report 2 Due |
| November 30, 2006 | Grantees complete work on projects |
| March 1, 2007 | Final Reports due |

G. Application Requirements

1. All applicants must submit a completed and signed original EJ Small Grants application coversheet (Exhibit A) and two copies including all required attachments (Exhibits D and E).
2. Eligible non-profit community organization applicants only: In addition to the application, you must submit verification of federal Internal Revenue Code section 501(c)(3) status or evidence of state of California recognition as a non-profit entity with the application. Failure to do so will result in ineligibility of award consideration.
3. Federally recognized Tribal government applicants only: In addition to the application, you must submit an approved resolution or letter of authorization from your governing Tribal body. The approved resolution for a Tribal government must be submitted, preferably with the grant application package on October 14, 2005, but no later than November 18, 2005. Select the designated signature authority carefully because only the person in the designated position will be able to sign all the grant documents to secure funds and implement the grant project (e.g. application, the Grant Agreement Form and Payment Request Form). If a "designee" is authorized in the resolution, be sure to also include a letter signed by the signature authority indicating the title of the designee.

You must submit one of the following:

1. An approved resolution from the applicant's governing body which authorizes submittal of an application for the Cal/EPA EJ Small Grants FY2005/06 and identifies the **title** of the individual authorized to execute any agreements, contracts, and requests for payment;
- OR**
2. An approved resolution from the applicant's governing body which authorizes the submittal of grant applications to the Cal/EPA for all available environmental justice grants under the California Code of Regulations Title 27, Division 1, Chapter 3, Article 1, and identifies the **title** of the individual authorized to execute any agreements, contracts, and requests for payment.

H. Application Deadline

Applications must be mailed or hand-delivered to the Cal/EPA's Headquarters Building located at 1001 I Street, Sacramento, 95820, and received in the Cal/EPA Environmental Justice Small Grants Program office by **3:00 pm, Friday, October 14, 2005**. **Applications submitted after the final submission date will not be accepted.**

I. Examples of Project Types

Proposed projects should have a clear focus on community specific environmental issues that address the interests of Tribal and EJ communities. Examples of projects that would meet one or more of the three Program goals are listed below:

- Identifying and addressing environmental justice related problems for a community;
- Identifying and assisting EJ stakeholders to participate in the decision-making processes;

- Collaborating with academia and/or governmental entities to collect data in communities affected by environmental justice issues;
- Providing technical tools, information, or protocols for the target audience to better understand the environmental pollution and hazard issues;
- Enhancing community understanding about environmental issues which affect a particular community;
- Improving communication and coordination among EJ stakeholders and Cal/EPA entities to address exposures to environmental pollution and hazards.
- Providing bilingual services for hearings, workshops and outreach in non-English speaking communities;
- Promoting Tribal Government involvement in addressing environmental justice related issues and providing solutions to address them.

J. Eligible and Ineligible Costs

Eligible costs for funding include the following:

- a) Distribution of information to help resolve environmental problems;
- b) Identification of improvements in communication and coordination between stakeholders and Cal/EPA and its Boards, Departments, and Office (BDOs) in order to address the most significant exposure to pollution;
- c) Improvement of community/tribal government understanding about environmental issues that affect its community/tribal government;
- d) Promotion of community/tribal government involvement in the decision-making process that affects the environment of the community/tribal government; and
- e) Enhancement of community/tribal government understanding of environmental information systems and environmental information.
- f) Other costs deemed eligible by Cal/EPA.

Ineligible costs for funding include the following, but not limited to:

- a) Lobbying or advocacy activities relating to any federal, state, regional, or local legislative, quasi-legislative, adjudicatory, or quasi-judicial proceeding involving development or adoption of statutes, guidelines, rules, regulations, plans or any other governmental proposal, or involving decisions concerning siting, permitting, licensing, or any other governmental action.
- b) Litigation, administrative challenges, enforcement action, or any type of adjudicatory proceeding.
- c) Funding of a lawsuit against any governmental entity.
- d) Funding of a lawsuit against a business or a project owned by a business.
- e) Matching state or federal funding.
- f) Other state grant programs.
- g) Performance of any technical assessment for purposes of opposing or contradicting a technical assessment prepared by a public agency.
- h) Other work deemed ineligible by Cal/EPA.

All expenditures must be only activities, products, and services included in the approved Work Plan (Exhibit B) and approved Budget (Exhibit C). All expenses (including services and goods expenses) must not be incurred before receiving the Notice to Proceed (see section K).

Important: Any proposed revision to the Work Plan and/or the Budget must be submitted, and pre-approved **in writing** by your Grant Manager, prior to Grantee incurring the proposed expenditures. The approval for revision document should be retained by the Grantee for audit purposes.

K. Application Review, Grant Agreement, Notice to Proceed

1. **Application Review** - Cal/EPA EJ Small Grant Program staff will review applications for adequacy and eligibility. Upon determination that an applicant is eligible, the staff will review, evaluate, and rank the project proposals. The Secretary will make the final selection of projects to fund in consideration of staff's recommendations. The Secretary reserves the right to not award any or only a portion of the Cal/EPA EJ Small Grant, subject to funding availability. All applicants will be advised by a US mailed letter of the Secretary's decision.
2. **Grant Agreement** - Following the Secretary's approval of the Grant, the successful applicants will be mailed a Grant Agreement Form, Final *Procedures and Requirements*, and Final *Terms and Conditions*. These documents, along with the applicant's approved Budget and Work Plan, comprise the Grant Agreement.

The signatory designated by the Applicant's Coversheet (for eligible non-profit applicants only) or Approved Resolution (for Tribal governments only) will be required to sign the Grant Agreement Form and return it to the Cal/EPA EJ Small Grants Program staff **within ninety (90) days** from the date of mailing by the Cal/EPA. **Important:** If a proposed project cannot be executed within 90 days of grant award attributed to the applicant, then the applicant will be disqualified and the grant **may not be funded**.

3. **Notice to Proceed** - Once the applicant's signed resolution is received and then executed by the Cal/EPA EJ Small Grants program staff, a Notice to Proceed letter will be mailed to the grantee as notification for approval to proceed with project implementation and expenditures.

N. Proposal Narrative – Scoring Criteria

The narrative of your proposal should include clear and succinct responses to the questions in the following table titled Scoring Criteria. The narrative must clearly and concisely describe and justify each task presented in the proposal. A well-prepared application will address each question briefly, thoroughly, and pay specific attention to each of the points listed in the Scoring Criteria. Your narrative is limited to 15 Pages. **The applicant is responsible for supplying sufficient detail for the review panel to fully evaluate the proposal. You must not assume the review panel knows anything about your organization or previous program experience.**

Attachments to support the proposal narrative are NOT included in the fifteen (15) page limit, and include:

- ☐ Cover Sheet (Exhibit A)
- ☐ Three (3) Resumes of Key Staff Involved in the Project
- ☐ Letters of Support (if applicable)

TIPS FOR APPLICATION WRITING:

Clearly respond to each question so that your response can stand alone and this makes it easier for the review panel to score your application. Do not worry if you seem to be repeating yourself—try to be clear and concise in your response or refer directly to the page where you may have addressed an issue earlier.

INSTRUCTIONS: The following format must be used to complete this exhibit. **All questions in the following template must be answered by the applicant.** This must be legibly printed or typed double-sided on 8 ½" x 11", with all pages numbered consecutively. This must be single-spaced, have one-inch margins and minimum 12-point font. Do not include attachments other than those requested.

Applicants will be ranked based upon the scoring criteria listed below. Proposals with the highest scores will be considered for funding first. **Applications that are not complete will not be considered for scoring.**

| Scoring Criteria Description | |
|---|--------|
| A. Background | Points |
| <ol style="list-style-type: none"> 1. Provide a brief summary of the applicant's organization or Tribal body, including how long the organization has been in existence. 2. Describe how the organization has been successful in the past with similar activities of the proposed project. | 5 |
| B. Project Need | Points |
| <ol style="list-style-type: none"> 1. EJ Issues - Identify the environmental justice issue(s) to be addressed by the project. 2. Target Audience - Identify the environmental justice community/target audience. Types of local demographic studies/statistics that might be useful include: percentage of total population targeted; ethnicity; age distribution; median household income; number of single family homes and multiple family housing units; size and ethnicity of immigrant populations; etc. Helpful websites - www.ciwmb.ca.gov/profiles and www.dof.ca.gov contain the population statistics and other demographic information. 3. Public Participation - Provide a project description that describes how the applicant is community-based and plans to involve the target audience in the project. 4. Identify the grant program goal(s) that the project shall meet and how this project will meet the goal(s). (Refer to section B for grant program goals) <ul style="list-style-type: none"> ▪ Are the identified issues being addressed? ▪ What activities will be conducted to meet the goals? ▪ How do the program goals you've selected to address relate to the needs of your target audience? ▪ How will you track the progress of the project? ▪ To whom will each activity be directed? ▪ Given the target audience for the project, are the objectives reasonable and significant? | 25 |
|  TIPS FOR PROPOSED ACTIVITIES: Be realistic about what can be accomplished within the term of the grant. If a project proposal is too optimistic (e.g., proposing to do too much within the proposed time frame), the funds will not cover the cost of the project and would be deemed unrealistic and ranked low accordingly. | |

| <p>Provide project activity plans/time frames, and expected results. The activities must address programs goals and must flow directly from EJ issues identified. This section should also specify evaluation steps detailed in the following evaluation criteria.</p> | 20 |

EXHIBIT B. SAMPLE WORKPLAN FORM

INSTRUCTIONS FOR COMPLETING THE WORKPLAN FORM:

The Work Plan Form must list all activities described in the Proposal Narrative that are necessary to complete the proposed project. In the first column, number the major tasks for your project. In the second column, describe the proposed activities to be undertaken in order to accomplish the task. In the third column, state who (by name) will be the lead for that activity. (Be sure to submit resumes for at least 3 key staff listed in the Work Plan Form who will be involved with implementing the project). In the last column, note the beginning and end date for each activity.

SAMPLE WORKPLAN FORM

| Task Number | Description of Activity to Accomplish Task | Project Staff | Start & End Dates |
|--------------------|--|-----------------------------|------------------------------|
| Task 1 | Develop effective youth leaders and activists who will help educate the X community about the nature of lead poisoning, the need for testing and home screening, as well as preventative measures and resources for dealing with the problem. | Kenya Tillman (Lead) | 3/06-5/06 |
| Task 1.1 | Conduct meeting with organization youth who are interested in educating community | Kerry Toure | 3/1/06-3/31/06 |
